What is Tiered Pricing?

Realizing that families have different abilities to pay, Highlands has instituted a voluntary three-tier fee program. You may choose the tier that is most suitable for your family. It is really an honor system; you tell us what is affordable for your family. All campers receive the same Highlands experience no matter what they pay. For those families that cannot afford Tier 1, additional scholarship funds are available to ensure that all children have the opportunity to attend Highlands' high quality summer camps!

- **Tier I:** Is our historically subsidized rate and does not reflect the true cost of operating summer camp programs.
- **Tier II:** Is our partially subsidized fee for those who can pay a little more but still cannot afford the actual cost of camp.
- **Tier III:** More closely accounts for the true costs of camp including wear and tear on building and grounds (Note that our Adventure Camps are still partially subsidized even at this tier).
