# Mission Trip Covenant 2023

## *4:12 Student Ministries*

As a participant on a mission trip, I will represent Pine Ridge Presbyterian Church, 4:12 Student Ministries, youth, and Christians. I understand that this comes with expectations of respectful behavior. The following is a list of basic expectations during a mission trip.

### *As a Mission Trip Participant, I will:*

- Commit to be present at mission trip pre-meetings, unless excused in advance. These meetings are important to understanding the work that will occur on our trips, team building, planning, and more.
  - *High School | May 7, 2023 from 12:30 -1:30 after youth group time*
  - *Middle School | June 4, 2023 from 12:30 -1:30 after youth group time*
- Respect limits on cell phone use, understanding that my presence and focus during service work and group worship time is valuable for everyone in the group.
- Keep a positive attitude, recognizing that I am an influence on others. Mission Trips can be stressful environments, and things may get hard at times. If this happens, we ask that you reach out to an adult volunteer on the trip to ask for what you need.
- Be an ambassador for Christ and the work God is doing in these communities.
- Focus on the people I am there to help. This involves building relationships and serving generously. Often the most impactful work is not in the physical labor, but in the relationships built.
- Always stay with the group.
- Adhere to the additional covenant that we will write together at the May/June 2023 pre-meetings.
