

# The Perfect Ten

Number one we've just begun - God should be first in your life  
Number two's the idol rule - those graven images aren't nice  
Number three, God's name should be never spoken in vain (or jest!)  
Number four, the Sabbath is for worship and for rest  
Number five, we all should strive to honor father and mother  
Number six, don't even think of killing one another  
Number seven, life is heaven when you're true to your mate  
Number eight, don't steal and break this rule for goodness sake!  
Number nine, don't be the kind who goes around telling lies  
Number ten, don't covet when you see your neighbor's house or life.

That's the list that God has given to be a guide for our lives  
And that is why we memorize commandments one through ten  
The perfect ten, the perfect ten  
These are the perfect ten.
